

MEMORANDUM

10/7/2009

TO: PARTICIPANTS & SUPPORTERS OF  
THE UNIVERSAL PEACEMAKERS FOUNDATION  
THE GREAT AMERICAN DREAM HOME RAFFLE

FROM: Minister Robert L. Brantley, President  
THE UNIVERSAL PEACEMAKERS FOUNDATION

RE: RAFFLE DRAWING DATE EXTENSION TO FRIDAY, 2/26/2010

As noted in our "Rules and Regulations", the charitable foundation requires that a minimum number of tickets be sold in order to give away our beautiful Dream Home. Although we are approaching our minimum requirement, the goal has not been met and as a result we have extended our drawing date to allow for further participation from the public. As the holidays approach we encourage the community to consider giving your loved ones a chance at winning this grand prize by purchasing a ticket. Our final drawing date will be February 26, 12:00 noon at the Dream Home.

This extension is final!

We will still sell no more than 35,000 tickets.

All ticket purchases to date are absolutely valid, and will be included in the drawing.

This extension is to provide the opportunity to open the door to further community participation to support our efforts in helping families at risk of home foreclosure. The problem is growing daily, nation-wide.

We are also sharing raffle revenues with a number of churches (and other houses of worship) as well as non-profit charitable organizations that are selected or nominated for a \$10.00 (ten dollar) donation by ticket purchasers. These donations are included in your \$100.00 ticket price, and are not an additional charge to you. You may select or nominate your charity retroactively, if you have already purchased your ticket(s), by sending me an email at [brantley@brantleygroup.com](mailto:brantley@brantleygroup.com) with the name and contact information of your selected or nominated church or charity.

PLEASE take advantage of this important American opportunity to support our concept of "connected community"; and to possibly win your gorgeous \$1.6 million dollar dream home at [www.tgaDreamHomeRaffle.com](http://www.tgaDreamHomeRaffle.com) or 1-888-71-TICKETS.

Please remember, we are willing to buy the home back from you quickly for a negotiated VERY HANDSOME PROFIT!
